- Integrated Development of Destinations
- High Level Cleanliness at Yatradhams/ Drinking Water/ Smart Spiritual Destination/ Solar Rooftop/ BoV/ Energy Eff. Light at Yatradham

**E. Industry and Mines Department**
- Integrated Development of Destinations
- High Level Cleanliness at Yatradhams/ Drinking Water/ Smart Spiritual Destination/ Solar Rooftop/ BoV/ Energy Eff. Light at Yatradham

**F. Urban Development and Urban Housing Department**
- UDP-Urban Development Mission - Smart City
- Grant in aid to Municipal Corporation for Atal Mission for Rejuvenation and Urban Transformation (AMRUT)

**G. Kutch:**
- Installation for Wind Energy
- Climate Change Adaptation for Natural Resource Dependent Communities in Kachchh, Gujarat. The project aims to enhance the adaptive capacity of natural resource dependent communities (Agriculture, Coastal Fishing and Pastoral communities) to climate change in targeted villages of Kachchh district, Gujarat.

What now needs to be aimed at is greater performance on the ground, reformulating the existing projects and policies to address the needs of the vulnerable people – man and women – of Gujarat; stronger linkages between and among SDGs, NDCs and SFDRR; and transformation of the mainstream economic development information “green and clean” economy.
